

TECHNICAL SPECIFICATIONS

PROCUREMENT OF ELECTRICITY AND NATURAL GAS

1. The object of the procurement is electricity and natural gas (including related services). Electricity and natural gas shall be delivered to the Permanent Representation of Lithuania to the European Union (Rue Belliard 41-43, 1040 Brussels, Belgium).

2. The subject of the procurement is divided into two (2) lots:

2.1. Lot One (1) – Electricity.

2.2. Lot Two (2) – Natural Gas.

3. Supplier shall insure uninterrupted supply of electricity or natural gas for the period of 24 months from the beginning of the supply. The supply of electricity or natural gas shall start not later than 1 month after the conclusion of the contract.

4. Requirements for the supply of electricity or natural gas:

4.1. The payments for the supplied electricity or natural gas will be done monthly in accordance to the price/tariffs indicated in the supplier's tender and monthly factual usage.

4.2. Electricity or natural gas consumption is calculated in accordance to the electricity or natural gas accounting meters.

4.3. Electricity or natural gas will be used in accordance with the actual demand. The contracting authority does not commit to purchase all amounts of electricity or natural gas, set in subsection 5.1 and 6.1 of the Technical specification.

4.4. The actual amount of electricity or natural gas purchased remains within the boundaries of 80% and 120% of the indicative amount set in subsection 5 or 6 of the Technical specification.

5. Lot One (1) – Electricity LOT 1

5.1. Indicative amount of electricity to be supplied is 400000 kWh (Table 1):

Table 1		
No.	Name	Indicative amount for 24 months, kWh
(1)	(2)	(3)
5.1.1	Electricity - Peak hours tariff ¹	210000
5.1.2.	Electricity - Off-peak hours tariff ²	190000

5.2. Maximum Subscribed Power – 250 kVA.

5.3. European Article Number for electricity: EAN 541448911700028697.

6. Lot Two (2) – Natural Gas.

6.1. Indicative amount of natural gas – 352000 kWh (Table 2):

Table 2		
No.	Name	Indicative amount for 24 months., kWh
(1)	(2)	(3)
6.1.1.	Natural gas	352000

6.2. European Article Number for natural gas: EAN 541448911700028710.

¹ Peak hours tariff– business days Monday through Friday from 7.00 h to 22.00 h (Belgium time).
