Annex 4
to the Conditions of Procurement

QUALIFICATION REQUIREMENTS

No.	REQUIREMENT	DOCUMENTS SUPPORTING COMPLIANCE	WHO MUST MEET THE REQUIREMENT
1.	The Supplier's total annual turnover from the activities to which the procurement relates in the last 1 (one) financial year (or, if the Supplier was registered or started such activities later, since the date of its registration or the start of such activities) shall be not less than EUR 50 000 (fifty thousand euros). For the purposes of this requirement, activities related to the subject matter of the procurement shall include handling, installation, assembly and/or dismantling services relating to art installations, works of art, exhibitions, exhibition structures, event structures, stage structures, or other temporary structures of a similar nature. Where the financial year of the Supplier does not coincide with the calendar year, the financial year indicated by the Supplier shall be taken into account. Amounts expressed in a currency other than the euro shall be converted into euros at the reference exchange rate published by the European Central Bank on the last day of the tender submission period.	Declaration on the annual turnover from the activities to which the procurement relates received in the last financial year (or, if the Supplier was registered or started such activities later, since the date of its registration or the start of such activities), signed by the Supplier's director and chief accountant (accountant) or another person authorised by law to keep the Supplier's accounts. In order to verify the information, the Contracting Authority reserves the right to request relevant bank statements, invoices, contract or other documents supporting the declared turnover. If, for justified reasons, the Supplier is unable to submit the documents requested by the Contracting Authority, it shall be entitled to submit other documents acceptable to the Contracting Authority.	The Supplier or, where a tender is submitted by a group of economic operators, all members of the group jointly (their capacities shall be aggregated). The declaration shall be submitted for each member of the group whose capacities are relied upon. The Supplier may rely on the financial and economic capacities of other economic operators. In such cases, the requirement may be met by the Supplier and such economic operators jointly (their capacities may be aggregated). The declaration shall be submitted for each economic operator whose capacities are relied upon. The Supplier shall demonstrate that the necessary capacities of such economic operators will be available to it throughout the performance of the Contract. The requirement shall not apply to subcontractors whose capacities are not relied upon to meet this qualification requirement.
